

## **The Kramer Family Scholarship**

Bill and Suzanne Kramer established a scholarship in 2018 to provide financial assistance to two Bethel Park graduating seniors who will be attending post-secondary educational institution. This award is renewable for one additional year of education. The assistance is not limited to tuition but can be used for equipment and supplies needed for the student's education.

This scholarship is not need based so as to not eliminate graduating students who have worked hard during their high school years in academics, school and community activities, volunteer and work experiences and sports.
